

## Richardson Home School Association Graduation Parent Commitment Agreement

I have read and agree to the guidelines of participation for graduating with RHSA. I recognize that this event requires time, effort, planning and monetary commitment. My participation is mandatory.

I understand that my family must be a member of RHSA in either the teaching co-op or a social membership.

I acknowledge that RHSA requires a minimum of 3 graduates to have a graduation ceremony. If this minimum is not met by Oct 31, graduation will be cancelled. I will be notified on November 1<sup>st</sup> and my graduation deposit returned.

I will communicate in a timely manner with the graduation committee, especially the graduation lead. I will complete the tasks asked of me for my position and of those in other positions in the timeframe required. These include but are not limited to, pictures for the slideshow, senior bio and photo for the program, parent audio recordings if done that year.

I will remember that this is a group graduation and not just for my student. I recognize that other families will have opinions and I will be open to hearing those as well as expressing my own in a kind and thoughtful manner. I agree to majority decides voting.

I understand that a graduation spot is not held for my senior until my application and nonrefundable fee of \$200 has been received by RHSA. These must be received by October 31 of the graduate's senior school year.
