WELCOME!

Thank you for your interest in the **Richardson Home School Association Teaching Co-op**. We are a Christian organization with teachers who teach from a biblical perspective. An on-line Class Catalog, with full class descriptions completes the registration information.

We thank the staff and congregation of Temple Shalom in Dallas for graciously opening their building to our Co-op for the school year.

We ask for the prayers and co-operation of each student, parent, and teacher to make the Co-op a safe and God-honoring place. May the Lord bless each of you.

FREQUENTLY ASKED QUESTIONS

ABOUT REGISTRATION

RHSA membership?

You may apply to the RHSA Teaching Co-op with a registration fee of \$175 for the school year if you register between Jan 1 – June 15 or \$200 for the school year if you register between June 16 – Dec 31. Membership provides participation in the teaching co-op, field trips, scouting, graduation, and other activities. You also will receive email updates on homeschool events as they become available. Please see our website for more information about member benefits. The registration fee helps covers building rent, insurance, and other administrative costs of the Co-op. This fee is due with your registration packet and must be made payable to RHSA. *This fee is non-refundable and non-transferable.*

To whom do I make checks payable for the Supply Fee & May Tuition Deposits?

A separate check must be made payable to each teacher for each class taken per student for the amount designated as the Supply Fee & May Tuition Deposit in the Class Description. Supply fee and May Tuition can be on one check per student/class. Even if you have two students taking the same class, a separate deposit check is required for each student. Supply Fee & May Deposit checks must be included with your registration forms. Supply Fee & May Deposit checks are non-refundable and non-transferable, unless the student remains on the wait list or the class does not make.

Where can I or a friend get a registration packet?

Go on-line to www.rhsa.org and click on Registration Packet from our home page under the Teaching co-op tab.

ABOUT CLASSES

Who decides how much the classes cost?

Each teacher, in conjunction with the Co-op Committee, decides how much to charge for the class based on the amount of preparation needed for lesson planning, preparing handouts, and time spent correcting papers. Since teachers base their monthly tuition on a nine-month scale, the tuition for all months will be the same without respect to the number of class days in the month.

How strict are the class age ranges?

Teachers determine the age ranges for the classes they will be teaching. All age guidelines will be strictly enforced. Any exceptions to the specified age guidelines must be approved by the teacher.

How will I know if I get the classes I requested?

All classes are filled on a first-come, first-served basis. You are notified at registration if you are in the class or you have an option to be on a class wait list.

How do I know if my student is moved from a wait list into the class?

You will receive an e-mail from the Registrar if your student is moved from a wait list into the class. Questions? E-mail coopregistrar@rhsa.org.

Supply Fee & May Deposit checks for wait list classes are held until there is an opening for your student or will be shredded if the class remains full through the end of September.

How will I know if any of my students' classes are canceled?

Classes are canceled if they do not make their minimum enrollment at spring registration or if a teacher becomes unavailable due to personal circumstances and no substitute can be found. You can check for canceled classes on-line at www.rhsa.org and click the class grid tab under Teaching Co-op from our Home Page. Cancelled classes will be in red on the grid. You will also receive an e-mail from the Co-op Registrar. You can then reschedule classes on the next scheduled registration day or by mailing a Class Schedule Form to the Registrar (P.O. Box 831991, Richardson, TX 75083). Supply Fee & May Deposit checks for classes that are canceled before classes begin will be shredded or refunded by the teacher.

What if I need to make a class change?

ALL REGISTRATION AND CLASS CHANGES MUST BE SUBMITTED ON THE APPROPRIATE FORMS TO THE REGISTRAR. These forms may be submitted in person or by email to the registrar or by mail if during the summer months. No places in classes will be "held." See the "Class Changes..." section in the Handbook for further information on adding/dropping classes, or withdrawal.

After RHSA is closed in May, where do I mail my Registration forms?

Please mail to the RHSA Registrar, P.O. Box 831991, Richardson, TX 75083.

Are grades given by teachers?

See *Grades* in the "Services" section in the Handbook.

ABOUT MISCELLANEOUS ISSUES

What is the parent service hours requirement?

See "Parents' Service Hour Requirements" section in the Handbook.

What is Chalk?

See *Chalk* in the "Services" section of the Handbook.

What if my address, e-mail address, or phone/cell number(s) change after I have registered?

Please e-mail the Co-op Registrar at coopregistrar@rhsa.org. Keeping the Co-op informed of any of these changes enables the parents to receive updates and information from the teachers and Co-op throughout the year.

Whom do I contact if I have a question about Registration?

You may e-mail the Co-op Registrar at coopregistrar@rhsa.org.

SERVICE HOURS REQUEST FORM

We require that each family contribute time of service to the smooth running of the Co-op. Together we make this co-op a friendly, well-organized place to learn. The commitment is 1 hour each week for 16 consecutive weeks, not including holidays. Service hours correspond to class times. There are other areas to serve within the Co-op that count for service hours. Some of these jobs take a little more time each week and are a year-long commitment.

Our year is split into 2 terms of service. You may serve in the Fall (First day of Co-op until 16 consecutive weeks) or Spring (Mid-January to the last co-op day in May). We have certain positions to fill first. For those who cannot serve, payment in lieu of service is available. This is a one-time payment of \$240 due at registration. A limited number of payment spots are available.

If you are unable to serve any of your weeks and do not find a substitute to take your place, there is a fee of \$15 you will owe to RHSA to cover your missed week. You are required to bring this fee the next week you return.

If you only have students in High School classes, you may opt out of service hours. However, many parents of our high school students find they have some time to serve and help RHSA when possible. Please indicate below if you can serve.

Our main Service Hours are 1 hour on Tuesday in one of the following places:

- **Hallways** – Keeping hallways quiet and being available to help teachers in the classroom so the children are not left alone.
- **Front Door** – we need to monitor those coming in and out of our facility. The Committee/Board will be seated in the front but may need to leave.
- **Playground** – making sure safe play is occurring both physically and emotionally. If you have young children, this is an easy service hour because you may already be on the playground. On days the playground is closed, you will be reassigned.
- **Hospitality** – Setting up coffee and snack bar, break down of coffee and snack bar. Both positions also walk the Social Hall for cleanup.
- **Lounge** – there is no eating in the lounge, monitoring students for loudness and rough play.
- **Other areas of service** – Serving lunch, Snack Bar, Yearbook, Field Trip Lead, Special Event Lead, Teacher luncheons and Baking team. The baking team is reserved for parents of babies. Some of these are not weekly commitments but are year-long volunteer positions. See committee for more details.

RHSA Code of Conduct and Organization

The Richardson Home School Association exists to support and promote the home education of school-age children by their parents, legal guardians, or designated person, according to the admonition of the Holy Scriptures (the Bible).

Membership in the Association requires that members read, but not necessarily agree with, the **RHSA Statement of Faith**. This policy allows the Association to be inclusive; allowing any family, regardless of belief or background, to be part of the Association. It also ensures that all members are aware of the biblical basis on which the Association makes its decisions and plans its activities. Although the Association does not require everyone to maintain the same beliefs, doctrines, or philosophy, it does require that members **agree to and abide by** the same code of conduct and organization. This code of conduct and organization applies only during those times and places that RHSA members (to include parents, designated guardians, and children) are participating in or supporting RHSA sponsored activities.

Any dispute arising from or related to your membership and participation in the RHSA shall be settled by mediation and, if necessary, legally binding arbitration in accordance with the Rules of Procedure for Christian Conciliation of the Institute for Christian Conciliation. Judgment upon an arbitration decision may be entered in any court otherwise having jurisdiction.

Code of Conduct

Member families will act in such a way that their words and actions promote the unity and encouragement of fellow RHSA families.

Member families will avoid acting in such a way that is considered disrespectful, offensive, immoral, intimidating, or rude.

Member families will avoid gossiping to or about other RHSA families.

Member families will be responsible for their own children's behavior to ensure they are acting in accordance with this code of conduct.

Any members or leaders of the Association that persist in violating this code of conduct are considered to be conducting themselves in a way that is contrary to the specific and primary purposes of the Association. The By-laws of the RHSA allow that such members may have their membership revoked after meeting with the RHSA Board of Directors to attempt correction and restoration.

Code of Organization

Although the structure and organization of the RHSA is well defined in its By-Laws, it is required that members clearly understand this code of organization.

All leaders in the RHSA must read, agree with, and sign the RHSA Statement of Faith. This ensures that those who believe in the Bible and follow Jesus Christ lead the RHSA. It is also expected that such leaders will make decisions and plan activities that will be pleasing to God and in accordance with His Word, the Bible.

Membership in the RHSA and participation in its associated activities is a privilege, not a right. The RHSA Board of Directors, based on continuing unacceptable conduct by a member(s) can revoke this privilege and terminate their membership in the RHSA.

RHSA exists to bring together homeschooling families for common support and encouragement. It is not a goal of the RHSA to become an organization focused on growing itself or seeking approval of its activities by outsiders or those within RHSA that disagree with its philosophy, decisions, or activities.

RHSA is led by the RHSA Board of Directors. This Board of Directors is self-perpetuating - it elects and replaces its own members without approval or vote from the RHSA membership as a whole. The Board has the right and obligation to oversee all activities and where needed, involve itself in the decision-making process of RHSA sponsored committees, functions, and activities. In rare and compelling circumstances, the Board may exercise its right to sustain, rescind or change decisions made by such RHSA committees, functions, or activities. The Board's decisions cannot be rescinded or changed by any type of vote or common agreement of RHSA members. It is for this reason that the Board takes its responsibilities seriously and humbly and with a goal to glorify God in all decisions made.

Members are encouraged to provide input and opinions about any aspect of RHSA. Recommendations and/or disagreements that members may have are to be handled in a responsible and respectful manner. Such comment and discussion is to be directed to the appropriate leader(s) and escalated, if needed, in a responsible manner to the RHSA Board of Directors.

RHSA leaders and members should seek to do their best on behalf of RHSA.

Statement of Faith

1. The Bible is the only inspired, authoritative, infallible, and inerrant word of God. Its very words are God-breathed. (Ps. 33:6) It is both necessary and sufficient to teach not only about our salvation but also about the conduct of our life. (II Tim. 3:16) It is completely reliable in its assertions about history, geography, science, and other disciplines.
2. There is only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. He is one Being who eternally exists in three persons: Father, Son, and Holy Spirit, without division of His nature, essence, or being.
3. Jesus Christ is the Son of God, the second Person of the Trinity. (Luke 1:35) He is both fully God and fully man. (Mark 2:28) By His perfect obedience and sacrifice of Himself on the cross, He has fully satisfied the justice of His Father, and purchased not only reconciliation, but an e v e r l a s t i n g inheritance in heaven for believers. He was visibly and bodily resurrected from the dead. (Luke 24:5,6)
4. All people are born in sin due to the effects of Adam's rebellion. (Rom. 5:12) They are forgiven of their sins when they trust in the Lord Jesus alone for their salvation. (Rom. 10:9) Salvation is by God's grace, through the means of human faith, apart from good works. (Eph. 2:8,9) Believers are enabled by the Holy Spirit to obey God's commandments.

*Please read carefully. Parents and students are responsible for knowing and abiding by the following guidelines. *Denotes Handbook sections which must be read by students.*

ACADEMIC POLICY*

The RHSA Co-op offers opportunities for students to achieve academic excellence in preparation for college and the workplace. Our desire is to see our students excel both in character and academics. To that end, our teachers have high standards and expect their students' diligent effort. Everyone must cooperate to maintain the integrity of our program.

- **Attendance is essential** due to concentrated teaching time for our classes. In case of absence, a student is still responsible for any material covered or assignments given in class time. The student and/or parents must contact the teacher and complete any missed work prior to the next class time. Class absences WILL affect a student's grade.
- **Students must submit work** that is complete, legible/typed, and on time. All work must be submitted on the due date. Late work will not receive full credit. Teachers may have class policies concerning late work specific to their courses.
- **Parents and/or students should communicate with teachers** directly with questions about any aspect of assignments or to report absence.
- **Students should come to class with required materials and completed assignments.**
- **Arrive in class on time.** Tardiness is a disruption to class.
- **Parents should monitor students to insure work is completed and turned in on time.** If a student consistently comes to class unprepared, after an initial warning and parental notification, teachers or the Co-op have the option of dropping a student from class.
- **Cheating is not tolerated. If a student is found cheating, the teacher has the option to drop the student from the class. No refunds will be given for that class.**

If a student's work falls below a "C", the academic level may be too difficult and the class not an appropriate choice, or the student is not putting in the necessary effort. Students with a "D" average may be dismissed. Continuation in the class will necessitate a parent/teacher/student conference.

DISCIPLINE POLICY *

If an adult tells a student of a problem and he/she responds respectfully and corrects the problem, no further action will be taken. If the student is told of a problem by an adult and he/she responds disrespectfully, does not correct the problem, has repeated corrections, or if the offense is considered serious by the observant adult, first try to find the child's parent. If the parent is not available, find another adult to be a witness to the disciplinary action from the observing adult (this is for the protection of the child as well as the adult) then the following procedure will be implemented and a family action form will be completed and filed.

Step 1: Parental Notification A Co-op Committee member will inform the parent or on-campus responsible adult of the situation and expect this adult to discipline the student accordingly.

Step 2: Parental or On-campus Responsible Adult Supervision If a student requires further discipline, the student can be required to have a parent or on-campus responsible adult with him/her at all times (and walked to each class, the lunchroom, etc.). The student and adult are both expected to accept this discipline measure with good attitudes.

Step 3: Dismissal Failure to comply with Step 2 can result in dismissal. Also, at the discretion of the Co-op Committee, some offenses, such as possession of weapons or drugs, etc., can result in immediate dismissal from Co-op. Remember that dismissal for behavioral problems does not release the family from drop fee obligations. Area Co-ops share the names of negligent families.

Everyone's respect and cooperation with the above will help make the Co-op a safe, orderly, and God-honoring organization.

- Girls may wear makeup/cosmetics but should be applied conservatively.
- No offensive tattoos. This includes but is not limited to foul language & disturbing/disruptive artwork.

In order for Co-op to remain the special place to which we all are accustomed; each family must cooperate with these dress and grooming policies. **Any student's continuing failure to do so will result in the student being asked to return home to change clothing or grooming.**

The Co-op Committee reserves the right to make on-going decisions concerning dress and grooming issues.

It is very important that we demonstrate a good example of home schooling and protect the facility we have so graciously been allowed to use. Observance of the following guidelines will ensure that Co-op's objectives will be met. They can be summed up in this way: Show thoughtfulness and respect toward the teachers, parents, other students, and our host facility and staff. At all times our actions and attitudes should honor our Lord Jesus Christ. "Whatever you do in word or deed, do all in the name of the Lord Jesus..." Col. 3:17.

SUPERVISION *

Co-op Committee members and the adult monitors are NOT personally responsible for any Co-op students. The primary responsibility of all monitors is to help provide a safe and orderly environment at Co-op. Teachers cannot be designated the on-campus responsible adult for a family other than their own without express permission from the Co-op Committee.

- **Parent or On-campus Responsible Adult:** Any student that is not enrolled in high school designated **ONLY** classes **MUST** have a parent or on-campus responsible adult present at all times. Co-op is not a Mother's Day Out or baby-sitting service. (**Note:** An on-campus responsible adult is a person over 18 who has agreed to be responsible for a student for any needs that should arise during the absence of a parent from campus.) Prearrange with a classmate's parent, a car pool parent, or another adult present on campus to be your student's on-campus responsible adult for the times when you cannot be on campus.
- **Students enrolled in high school designated courses ONLY:** These students are allowed to be on campus without a responsible adult. They may be dropped off or may drive themselves. These high school students may be responsible for themselves **ONLY** and **MAY NOT** be the designated responsible adult for younger students.
- **Daily Attendance:** Please sign in at the bulletin boards to show that you are present each day. List a name & phone number for the adult responsible for your children that day. High school students may sign themselves in and indicate HS as their adult.

- **While on campus:** Hallways are to be clear during class times. It is the parents' responsibility to give their student permission to leave the campus. **All children and students MUST be in one of the following places at all times with a parent or on-campus responsible adult present**

Class	Study Hall	Playground
East Lawn	Social Hall	

Parents class visitation: Co-op parents are free to visit any class with prior permission of teachers.

Visitors to Co-op: We always welcome ADULT visitors to Co-op who are considering joining the Co-op. Visits must be scheduled. Please contact the registrar to schedule a visit and/or obtain teacher permission for classroom visitation.

Classes end at 3:30 P.M. on Tuesday and 11:30 A.M. on Thursday: All students need to leave the property **promptly** at the end of the Co-op day.

TUITION POLICY

Monthly tuition checks are due the first Tuesday of each month. Tuition is paid in equal monthly payments September through April. May tuition is paid at registration. On the first Tuesday of each month, the tuition checks, made out individually to each teacher, are to be placed in the red tuition box. Please designate the student's name & class (can use class registration code) on each check. Tuition not paid on the first Tuesday of the month, must be mailed to the teacher or given directly to the teacher upon entering class the second Tuesday of the month. A \$25 late fee for each class must be added to your tuition check after the first Tuesday of the month. Any fees incurred by a teacher for a returned check must be reimbursed immediately by the applicable family.

Tuition payments are based on student enrollment, not student attendance.

If a student has not dropped before the first day of classes, first month tuition is due.

Parents are responsible to communicate quickly and personally with the student's teachers in the event of unexpected circumstances that affect timely tuition payment.

Note: Since teachers base their monthly tuition on a 32- week scale, tuition is paid in nine equal installments Sept -April and all months will be the same regardless to the number of weeks in the month. May tuition is paid at registration.

Pro-rating and Class make-up policy: Teachers are not required to pro-rate tuition due to a missed class because of a student's illness, vacation, etc. However, if the class is missed due to the teacher's absence (and class was not held with a qualified substitute approved by the Co-op Committee), parents may pro-rate the following month's check for the class(es) missed. (Multiply monthly tuition by 9 for annual cost and divide by 32 weeks to get the weekly amount.) Tuition is not pro-rated if the class is cancelled due to the facility closing at the facilities request. This would usually happen due to religious holidays. You will know in advance of these dates. Teacher's tuition should not be affected because of a closing out of their control.

CONSEQUENCES OF UNPAID TUITION AND DROP FEES

Teachers can drop a student for non-payment of tuition a f t e r o n e m o n t h and families who refuse to pay tuition a f t e r o n e m o n t h c a n be dismissed from Co-op. Also, failure to pay the complete tuition for the year or any assessed fees, that have not been waived, will result in forfeiture of the right to register for classes in the future until all accounts are current. **BY ENROLLING YOUR CHILD, YOU ARE MAKING A COMMITMENT TO PAY FOR THESE CLASSES. WE TRUST THAT EACH FAMILY WILL FULFILL THIS COMMITMENT.** Also, other area Co-ops are informed of families who fail to fulfill this commitment.

CO-OP YEARBOOK POLICY

To be included in the RHSA Co-op yearbook a student needs to be currently enrolled in the RHSA teaching Co-op. Special consideration will be given for graduating seniors, not enrolled in Co-op, who meet all the following criteria: (1) have been enrolled in RHSA Co-op at least one of their high school years, (2) are currently a member of RHSA, and (3) are a member in good standing of the RHSA graduating class. The senior's yearbook application will be reviewed prior to inclusion in the yearbook. Applications will be reviewed on a first-come, first-served basis as yearbook space permits. No senior yearbook application will be accepted after the posted deadline.

PARENTS' SERVICE HOUR REQUIREMENTS

Registration for Co-op classes is not complete without a specific service commitment/payment for the school year. **Each family participating in Co-op classes is required to serve 1 hour each week for 16 consecutive weeks per school year. Families with students in High School classes only do not have required service hours. Families who refuse to participate in a service hour activity will not be enrolled in Co-op. Failure to honor your service commitment will prohibit future enrollment in Co-op classes. Please read the Service Hours Contract for more details.**

Payment in lieu of service hours is another option. If necessary, we have a **limited** number of slots available for a one-time payment of \$240 at the time of registration. These slots will be filled based on need. Discuss your request with the Service Hours Coordinator. Missed weeks of service hours without finding a substitute will result in a fee. Please see the Service Hours Contract for more details.

Parents should use the "Service Hours Request Form", in the Registration Packet, to choose their general service hour assignment preferences. This form will be submitted at registration and the Service Hours Coordinator will work with you to choose your specific service hour assignment. Parents are needed as monitors of the halls, front door, playground, etc. The Service Hours Coordinator will organize the service assignments according to a first-come, first-served basis, and, as much as possible, honor the parent's preference and convenience. However, the needs of the entire Co-op will take priority over the desires of one family; there could be circumstances where you are needed to serve when your children are not in class.

It is the parent's responsibility to sign in the service hours' log book (located at the Co-op Committee tables) 5 minutes prior to the assigned shift. The Service Hours Coordinator will note the promptness/tardiness of your arrival. Tardiness of 15 minutes and "no shows" will require a fee to be paid. Please see the Service Hours Contract for more details. **It remains the parents' responsibility to see to it that they have fulfilled the entire semester of service within the school year.**

MONITOR DUTIES

The primary responsibility of all monitors is to help provide a safe and orderly environment at Co-op.

Before each service term begins, the service hour coordinator will provide each monitor their upcoming scheduled assignment along with a description of the duty. Please refer to that handout to help you fulfill your specific duties. (See the Service Hour Coordinator if you need another copy of your monitor description handout.) Monitors should also be familiar with the "**Discipline Policy**," "**Co-op**

Conduct Guidelines,” and **“Dress and Grooming Policies”** found in this handbook. All monitors should be watchful for safety issues, noise control, and maintenance of the facility building and grounds.

We do ask monitors to stay alert and focused on their responsibility and to be watchful of the entire area to which they are assigned. Doing other tasks, visiting with friends, etc. can interfere with the monitor’s primary responsibility to help insure that the Co-op is safe and orderly.

All monitors have the authority to gently correct any student. Should a student not respond appropriately, please refer to the Co-op Discipline Policy detailed in this Handbook or see a committee member.

Diligent and responsible fulfillment of these monitor positions make a significant impact on our Co-op environment and enables the Teaching Co-op to function at its best in its service to the students, parents, and teachers. We are appreciative of the necessary service each monitor provides on a weekly basis.

SERVICES

Grades: Teachers of non-high school classes determine the kind of evaluations they will use. Non-high school class evaluations must be done on a quarterly basis and will be posted on Chalk. High school classes are required to have letter grades issued on a quarterly basis posted on Chalk. Parents should address individual concerns or questions regarding evaluations/grades with each teacher personally. Parents are responsible for recording and keeping their student’s transcript. Grades posted on Chalk are deleted by July of each year, to prepare for the next school year.

Chalk: Chalk is the name of the website Co-op uses for communication between teachers, students, and parents. Each class has a page with information specific to that class and some classes use Chalk to post grades, homework assignments, and other class related information. In August, at o p e n h o u s e , registered families will be given the necessary information to activate, login, and access the information. The cost of this service is included in the RHSA Membership Fee.

MISCELLANEOUS

Illness policy: Please do not bring children to Co-op who have had fever, diarrhea, vomiting or other contagious conditions **in the last 24 hours**. If your child requires any medication, please keep it with you and administer it yourself.

Inclement weather: RHSA Teaching Co-op will follow the Richardson Independent School District's closure schedule. Should there be snow, ice or other inclement weather on a Tuesday or Thursday during normal Co-op operation, **please** watch local news channels or listen to local radio stations that morning for the RISD announcement of school closure. In the event of RISD late start, Co-op will still close. A week of make-up snow days is scheduled on the calendar each year to be used as needed.

Children with special needs: The RHSA Co-op does not want to discriminate against children with learning differences or serious disabilities. However, we are not equipped to meet the needs of certain disabilities or special needs. Out of consideration to our teachers and other students, the Co -op asks that parents inform their teachers in advance of any learning differences or special needs your child may have. In certain cases, the Co-op Committee may meet with the parents and teachers to determine what would be in the best interest of the Co-op and the student in question. RHSA Co-op reserves the right to deny enrollment upon such consideration. A parent of any special needs student must be on campus at all time.
